> ALUMNI TEAM MUCH TO THE BAD. Academy Romped Away, 14 to 2-

League Opening Today.

The Alumni team was outclassed by the Academy regulars on Friday afternoon when they met on the campus and were unmercifully slaughtered, 14 to 2. Coach Aultman, who went into the box for the Alumni, received awful support in the infield, and the Academy hoys romped around the bases till they were tired of scoring.

The Academy nine had Croker in the box for the first four innings, followed be Bailey for three and then Morrell for two. The Alumni scored their runs in the first inning and then stopped. The following were the lineups:

Academy—Lord c, Croker, Bailey, Morrell p, Fletener 15, McKay 2b, Ed Murray ss, Jim Murray (capt.) 3b, Boyd if, Geer cf. Standish rf.

Alumni—Pendleton c, Aultman p, McKay 1b, Frisbie 2b, Robinson 3b, Kelly ss, Lawler If, C. Cassidy cf, W-Shields rf.

Jack McCormick umpires and was in right with both sides.

The Academy goes to Williamantic for their opening league game this afternoon against Windham High. The other league game is Bulkeley at Stonington High.

The association feels fortunate in having his service again, and it will be remembered that it was through his coaching and assistance last year that the high school was enabled to win the interscholastic championship of Rhode Island and Connecticut. Haney is thoroughly qualified to take entire charge and is certainly the one to take charge of the team, as he has a thorough knowledge of inside baseball and has had nearly ten years of professional experience.

During the years that he has been in professional baseball he has played in Omaha and Denver in the Western league, Norfolk in the Virginia league, Charleston and Macon in the South Atlantic league and Wilmington in the Eastern Carolina league. He had and stated Friday that it was possible that he would have charge of the Atlantic City club this year, where he formerly played. He has also had charge of traveling semi-professional clubs in various parts of the country. At one time he had charge of the West End club of Chicago and which, during that year won 25 out of 42 games ing that year won 15 out of 42 games played and defeated most all of the fastest traveling clubs in the country. Haney is a fine all-around player, as he is easily at home on first base, in the out field and as a pitcher. These in the out field and as a pitcher. These qualities, in addition to being a fine natural hitter, makes him a valuable man to any club that secures his services. The fans have nothing but good words for him, and when he leaves Westerly, they certainly wish him the well deserved success that will surely follow him. Affantic league and Wilmington in the Eastern Carolina league. He had charge of the Charleston club before that glub withdrew from the South Atlantic league and while in Macon he led the South Atlantic league in batting for eighty-four games with the fine average of 320.

During the spring he had several offers to manage clubs in the Central and Three-I leagues but declined them

When I sent for a sample bottle of Swamp-Root, I had to make water every two or three hours through the day and night. I passed but a very small quantity, but with a scalding and straining at the end of each passage. Before I received sample by mail I went to our best doctor (and he is second to none in this vicinity) and told him how I feit. He put me up a bottle of medicine. I war about a week taking the medicine, but was no better than when I began. I then began your sample bottle, and before I got through with it I felt a change. The scalding sensation did not bother only a few times in the middle of the day. I would not have believed such a small quantity would have done so much, but before it was gone I learned that our druggist kept Dr. Klimer's Swamp-Root and so got a large bottle for one dollar, but actually worth one hundred dollars. I only took one large tablespoonful three times a day and before I had taken one-half bottle I was all right and have been since, Gratefully yours,
